

QUARTERLY REPORT TO 31 DECEMBER 2015

HIGHLIGHTS

- **Ora Banda Gold Project**

Air Core drilling program commenced.

- **Kirwan Hill Tungsten Project**

Preparation for exploration activities.

Siburan Resources Limited (ASX: SBU, Siburan) is pleased to present its report for the December 2015 Quarter.

Kirwan Hill Tungsten Project

The company continues to undertake further geological interpretation to assess the next exploration activity. A surface sampling program has been planned for the quarter. The project is still considered a core project for the company.

Ora Banda Gold Project

A 21 hole air core drilling program was commenced in the reporting period. The program has been designed to follow up on the first drill program earlier in the reporting year. The company is still awaiting confirmation results at the end of the reporting period.

Corporate Activities

Jamie Schwarz resigned from the Board of the company on 23 November 2015.

Investment in China Automobile Parts Holding Limited

Following completion of the acquisition of shares in China Automobile Parts Holding Limited (CAP) as reported in the previous quarter, the Company holds a substantial holding in CAP totalling 190 million shares (including 90 million shares issued as a result of a bonus issue of shares) which represents 16.37% of
